Subject: EPA Region 8 has a FOIA Request in on the Sept. 2 & 4, 2017 EE Request

Hi folks. Just wanted to give you a heads up that we have received a FOIA request from the Center for Biological Diversity for any and all documents related to your request for exceptional events concurrence on the Sept. 2 & 4, 2017 ozone event. I would expect that we would find all of our correspondence on the initial notification and demo for that event to be responsive. Let me know if you have concerns releasing all our entire e-mail discussion strings.

Thanks,

Richard Payton
